

CLEARWATER SAND KEY CLUB, INC., NO. 1, A CONDOMINIUM RULES & REGULATIONS

Last update: 08/16/2016

Revised on: 08/18/2022

Approved at meeting date: 08/18/2022

Effective as of: 08/18/2022

These Rules and Regulations are legally binding upon all owners and their guests or renters. They are promulgated from the Condominium Documents, Florida Condominium Law and local Municipal Ordinances.

Unit owners/tenants shall conform to and abide by the By-Laws and Rules and Regulations which may be adopted or modified in writing from time to time by the Association, and shall be responsible that all persons authorized by the owner to use his property do likewise. *Failure by an owner/tenant to comply shall be grounds for action that may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof.

THE PREVAILING PARTY IN ANY LEGAL ACTION TAKEN TO ENFORCE THE RULES AND REGULATIONS IS ENTITLED TO RECOVER FEES AND COSTS, INCLUDING REASONABLE ATTORNEYS FEES.

ANTENNA

- A TV satellite dish (22 inches or smaller), may be installed. Please get installation instructions from our manager prior to installation. The dish may not be installed by mounting to the building. No Citizen's Band or Short Wave Radio or similar apparatus that would have an adverse effect on the reception of television or radio signals by others shall be permitted in the building or upon the premises.

AUCTIONS

- Auctioning of premises are allowed but the Auction itself may not be held on the premises.

BAR-B-Q/COOKING

- Fire and City Ordinances prohibit the use of electric and charcoal and gas grills on our balconies.
- A gas grill is available on the patio, beach side and is on a first come first served basis. The community grill should be cleaned after each use.

BICYCLES

- There is storage provided in the garage storage room area for bicycles on a first come first serve basis. Bicycles must be tagged; tags are available from the attendants. These are locked facilities.

CAR WASHING

- Car washing is permitted only at the designated area at the Southeast corner of the parking lot. Please recoil the hose on its hanger and turn the water off when finished.

CLUB ROOM

- The club room is for the exclusive use of the owners, tenants and their invited guests.
- The club room may be rented out by residents only for private parties. A \$300 damage deposit is required, refundable after no damage is determined and resident has completely cleaned up the room.
- Children under 10 are not allowed in the club room unless supervised.
- Owners, tenants and their invited guests using the club room shall be responsible for any and all damages to the room caused by themselves or their guests.

DELINQUENT PAYMENTS

- There will be a late fee assessed for any maintenance fees and special assessment fees which are not paid on time. See the CSKC declaration or bylaws.

DELIVERIES

- *A delivery is a shipment/delivery from a vendor.*
- If you are not going to be present when expecting shipments/deliveries of furniture, mail, etc.; please make sure that these shipments arrive PREPAID and notify office or property attendants prior to delivery whenever possible.
- Furniture or appliance deliveries should be scheduled with office in ample time to avoid conflicts of the elevator use, as well as installation of elevator pads for their protection.
- Carpet covering must be provided by the owner or delivery company for the lobby, elevator and foyer if there is inclement weather or using heavy roller equipment
- Owners/tenants are responsible for immediately removing all packing boxes, paper, insulation and other debris to the dumpsters. **BOXES MUST BE BROKEN DOWN** to preserve space. Maximum size is 2 ft. X 2 ft.
- Association personnel may not participate in any delivery function for loading or unloading.
- Deliveries do not require a deposit, however the owner is responsible for any damage caused by delivery to the common areas.
- No scheduling restrictions.

DISABLED VEHICLES

- Owners must have a valid license tag within 30 days from the date that the previous tag has expired, unless proper application has been made to the Board and the Board has extended that time for good grounds.
- No major repairs may be performed on any vehicle while on the condominium property. Minor repairs: i.e. jumpstarting battery or changing a flat tire are acceptable. Emergency jump start and pump are available from the attendant desk.

EV CHARGER POLICY

Applicable Highlights of Florida Law 718.113(8) effective July 1, 2018.

- Owner may install and use EV charging stations WITHIN THE UNIT OWNER'S LIMITED COMMON ELEMENT PARKING SPACE contingent upon the following:
- Installation cannot cause irreparable damage to condo property
- Owner is responsible for cost of Installation, Operation, Insurance, Maintenance, Repair and Removal of charging station.
- Electricity must be separately metered and payable by unit owner.
- All the above costs if left unpaid by unit owner are enforceable by association as any other assessment - meaning if left unpaid their unit can be foreclosed.

For EV charger installations the association requires unit owner to:

- Comply with applicable building codes or safety standards
- Comply with architectural standards for dimensions, placement or external appearance.
- Compliance requires the submission of an application and receipt of approval of the plan prior to commencement.
- Engage the services of a licensed and registered electrical contractor to complete installation of an EV charging outlet or device. Any charger modification or removal must also be completed by a licensed electrician.
- Provide a certificate of insurance naming the association as an additional insured on the owners' insurance policy for any claim related to installation, maintenance or use of the EV charging station within 14 days after receiving the association's approval of the installation
- Reimburse the association for the actual cost of any increased insurance premium amount attributable to the EV charging station within 14 days after receiving the association's insurance premium notice.

Installation Requirements:

- Utilize a DCC or similar Electrical Vehicle Management System to allow the connection of the EV charger to the main feed of the condo owners unit panel without affecting the load calculation. *DCC Amperage should not exceed the charger and/or auto manufacturers recommendation.*
- Aluminum Conduit with anti-corrosive fittings must be used to protect wire from utility room to parking space
- Charger or outlet must be affixed 4' or higher on column or pillar adjoining owners assigned parking space
- Owners with an assigned spot that is not adjacent to a column or pillar must propose an alternative installation method that is acceptable to building management. If an acceptable solution is not available, then a charger may not be installed in that space.
- A cord hangar or retractable management system to prevent trip hazards while charger is idle or in use.

EXERCISE ROOM; USE AT YOUR OWN RISK

- Your use constitutes acknowledgement that you understand how to use the equipment properly; that you are in a state of good health requisite to the conditioning you are attempting and that your personal physician has approved your regimen.
- We do not offer training or a trainer and we are not responsible for your misuse of equipment or personal injury.
- The exercise room is available 24 hours a day.
- Noise must not be at a disturbance level to others.
- The room is for the exclusive use of the owners, tenants, and their invited guests.
- Children under 12 are not allowed in the exercise room unless supervised.
- The showers provided in the exercise room are for refreshing or cleaning after exercising. They are not intended for replacement of the deck shower for removal of sand or oils.
- Please wipe down the equipment when you have finished exercising.
- Owners will be responsible for any damage to the equipment or the furnishings. The owner will be required to pay for any repairs/replacements necessary.

FEEDING ANIMALS

- For sanitation safety reasons as well as cleanliness, DO NOT FEED the birds from the terraces/balconies or pool deck or anywhere on the property. Do not leave foodstuff lying about. Bird feeders are prohibited.

GUESTS WHEN OWNER IS ABSENT

- Guests must complete and sign a Registration form upon arrival before entering the unit.
- Unit keys must be provided by owners to guests.
- The owner must notify Management or Attendant in advance of Guests arrival, providing dates of arrival and departure names, and number in party.
- Attendant may use emergency key to open unit door upon owners request for guests to retrieve keys and access unit upon arrival.
- The owner is responsible for their guests so please provide them with the 'Rules & Regulations' and instructions for proper unit care for while they are visiting and notify them of the no pet policy.

GUESTS OR VENDORS WHEN OWNER IS PRESENT

- Owner must notify the attendant prior to guest(s)/vendor(s) arrival. If guest(s)/vendor(s) is/are not listed with attendant at the time of arrival at the front desk, attendant must call owner to get permission to open gate for guest(s)/vendor(s).
- Guest(s)/vendor(s) must sign in with the attendant with name, unit number and number of people, automobile information and arrival time.
- Guest(s)/vendor(s) must sign out with the front desk attendant with time of departure before leaving.

HOLIDAY TREES

- No live or cut Christmas trees may be brought into the building due to the increased risk of fire hazards.

HURRICANE PREPAREDNESS

- All furniture and plants must be removed from the balcony. Water must be shut off at the main (located at the water heater). All breakers MUST be shut off. The Association Office

MUST be provided the name and phone number of the designated person to care for the unit during your 'away' time. Emergency contact should be on file for all owners.

KEYS - EMERGENCY UNIT KEYS

- The Association maintains an emergency set of door keys for each unit. This is for emergency access to your unit while you are away in case of water leaks, fire or other bona fide reasons for access to your unit as authorized by Florida Statute as well as the Condominium Documents. Failing that, we will use whatever means necessary, at your expense to gain entry to a condo. Florida Statute is clear in giving authority for the common good to the Association.
- The Association will assist you by granting access to others at your direction, when provided with permission releasing the Association from any liability. Forms are available from the attendants.

KEYS - SAND KEY CLUB BUILDING KEYS

- Owners are responsible to provide building keys to purchaser at closing.
- Additional keys or lost key replacement cost is \$25 per key.
- In the event a key stops working, if the owner turns in the non-working key there is no charge for replacement.
- Do not loan or give your entry keys out. The security of all occupants is violated when keys are given or loaned to service personnel or others.

LEASE/RENTAL

- Any Lease or Rental requires the written approval of the Board of Directors. Approval shall not be unreasonably withheld.
- A standard Rental Application and an Emergency Information Sheet is required. The owner must submit a copy of the rental agreement/lease with the application. Forms completed by all prospective occupants must be completed and submitted at least ten (10) days prior to occupancy along with a \$100 non-refundable Application Fee. The approval of an Occupancy Application shall not release the owner from any obligation under the law, Condominium documents, or rules & regulations
- The owner must also submit a background check for a first time renter with the application. Upon request a repeat renter may be requested to have a current background check submitted.
- Minimum lease period is ninety (90) days. Lessees may not Sub-lease a unit.
- City required license for lease property.
- Owner is responsible for providing the tenant with unit, building and mailbox keys as well as copies of the "Rules & Regulations", hurricane readiness procedures and vacating procedures.

MECHANICAL, ELECTRICAL & PLUMBING

- Owner must notify the Association of any work to be done in a unit and verify permits insurance and license of contractor prior to contractor arrival.
- The contractor must sign the Notice to all Contractors upon check-in.
- City of Clearwater permits are required for all work. Permits must be presented by the contractor when they arrive and also be displayed in a public area and shown upon request.
- Contractors must also obtain a building permit when required.
- Only Licensed and Insured tradesmen can make repairs and installations.

- Contractors are not to impair the structural soundness of the building or work on elements of the unit that are considered the Association responsibility and/or common areas. If the contractor comes across a repair needed for a common area then the Association must be notified immediately.
- Damage: Any damage to the Association property is to be reported to the Association and fixed by the contractor at the contractor's expense and to the satisfaction of the Association.
- Clean up: Contractors are required to keep the Association property clean of any debris at all times. The Association can charge a cleaning fee if the area is not kept clean.
- Security/Parking: All doors into the building and roof must be kept closed at all times. Service or commercial vehicles may be parked in guest parking while they are on the premises performing work. No overnight parking is permitted.
- Hours of Work: Contractors may work Monday through Friday from 8am-6pm EST. Work permitted on Saturday and holidays must be "soft" work only, (i.e. painting, wallpapering but not loud construction type work.) No work is permitted by contractors on Sunday.
- Work supplies/equipment may not be stored in the foyers, lobby, stairwells, fire halls or fire exits.
- Workers may not use the grocery carts provided for residents in the garage to haul their equipment of any kind.

MOVING

- Moving in or out of the building by a moving company or owner rented/owned moving vehicle is limited to Monday through Saturday, between 8:00 am and 6:00pm.
- All moving must be scheduled with management in ample time to avoid conflicts for the elevator use, as well as install elevator pads for their protection.
- A three hundred dollar (\$300) damage deposit is required prior to moving in or out. After the manager and/or Association attendants determine there has been no damage during the move in/out, the check will be returned to you.
- Carpet covering must be provided by the moving company, the owner or delivery company for the lobby, elevator and foyer if moving in/out during inclement weather or if using heavy roller equipment.
- Owners/tenants are responsible for immediately removing all packing boxes, paper, insulation and other debris to the dumpsters. Boxes must be broken down to preserve space. Maximum size is 2 ft. X 2 ft.
- Association personnel may not participate in any delivery or moving function for loading or unloading.
